Danajamin provides guarantee for bonds/sukuk under the Green Technology Financing Scheme (GTFS)

As part of Government's effort to encourage local companies and entrepreneurs to participate in green technology-based projects in supporting the national green technology agenda, Green Technology Financing Scheme (GTFS) was introduced in 2010.

Developed with the cooperation of Ministry of Finance, Bank Negara Malaysia, Credit Guarantee Corporation and Ministry of Energy, Green Technology and Water, it offers attractive financing facilities from participating Financial Institutions, which stood at twenty-eight (28) FIs, with Malaysia Green Technology Corporation (MGTC) as the implementing agency.

With the successful implementation of the earlier GTFS, on 3rd May 2018, the Ministry of Energy, Green Technology and Water had launched GTFS 2.0 with a total fund size of RM5 Billion. Under GTFS 2.0, in addition to the banking financing facilities, financing through green bond/sukuk issuances that is guaranteed by Danajamin Nasional Berhad can also benefit under this scheme.

Danajamin is the first Financial Institution to provide guarantee for bonds / sukuk under this scheme, leveraging on its existing processes and underwriting capacity thereby continuing its mandated role to assist the underserved and viable users tap the capital market.
